

Meet Dr. Javier Echarri

Dr. Javier Echarri is a distinguished orthodontist based in Barcelona, Spain, renowned for his expertise in orthodontics, dental aesthetics, and restorative dentistry. He serves as the Medical Director at Athenea Dental Clinic and is a professor at the Athenea Dental Institute, where he contributes to the Master in Orthodontics and Dentofacial Orthopedics program.

Educational Background

- ◆ PhD Candidate at Universidad Rey Juan Carlos, Madrid (*since 2020*)
- ◆ Master's in Orthodontics and Dentofacial Orthopedics from Athenea Dental Institute | San Jorge University
- ◆ Degree in Dentistry from Universitat Internacional de Catalunya, Barcelona (*2016*)

Professional Experience

Dr. Echarri has been practicing exclusively in orthodontics since 2016 at Clínica Echarri in Barcelona and has been the Medical Director at Athenea Dental Clinic in Barcelona since 2019. His clinical expertise encompasses orthodontics, dental aesthetics, and restorative dentistry.

Academic and Teaching Roles

Beyond his clinical practice, Dr. Echarri is deeply involved in academia. He is a professor at the Athenea Dental Institute, contributing to the Master in Orthodontics and Dentofacial Orthopedics program. He has also participated in organizing and lecturing at international symposiums, such as the Athenea Symposium.

Publications

Dr. Echarri has co-authored several publications focusing on orthodontic techniques and treatments, including works on the CSW technique and the use of microimplants in orthodontics.

Professional Affiliations

He is an active member of various professional organizations, including the American Association of Orthodontists (AAO), World Federation of Orthodontists (WFO), and the Spanish Society of Orthodontics (SEdO).
